## “Spray Away The Flu”

### Get Rid of Fever Chills, Aches, Nausea, Fatigue, Headaches, Congestion, Coughs, and Sneezing, Too!

If you didn't take advantage of our flu prevention program (our *Olive Leaf Extract* and homeopathic *Constitutional Enhancer*), if someone you care about has come down with a cold or the flu, or if you just want to have something on-hand that will give you fast relief from symptoms— even help prevent them— and without side-effects, read on!

Our homeopathic *Colds & Flu* comes in a convenient pure-water-based flavorless spray that easily fits in a purse or briefcase. When taken at the first sign of symptoms, it can relieve fever, chills, achiness, nausea, fatigue, headaches, congestion, coughs and sneezing.

Best of all, it prevents cold & flu symptoms when taken at the beginning stages!

It's hypoallergenic, and so safe, even children can take it— pregnant women, too!

This stuff is wonderful. I highly recommend keeping a bottle on-hand in case the flu comes a' callin' at your house this year.

It's just **\$14.98** for a 2 ounce bottle, which should last you quite awhile.

Stop into the store today, pick it up online at [www.diabeticdrugstore.com](http://www.diabeticdrugstore.com), or phone us at **(434) 352-7161**. We'll ship it right to your door for \$19.23, which includes tax and shipping, or may even deliver it to your door FREE of charge if you live close enough to us— ask for details!

And remember: you can't suffer the ravages of the flu if you don't give it a foothold.

Most Sincerely,

Rick Pack, IV, R.Ph.
